"Incandescent, always hope-filled and often hilarious. Boyle somehow maintains an exuberant voice that celebrates the strength, compassion and humanity of people often demonized. He simply highlights charity and goodness wherever they are found."

-Christian Century

Father Greg Boyle is the founder of Homeboy Industries, the largest gang-intervention, rehabilitation and re-entry program in the world. As the author of the inspirational bestsellers, *Tattoos on the Heart* and *Barking to the Choir*, he shares what working with gang members is like with breathtaking parables inspired by faith, compassion, and the enduring power of kinship.

Hear how living at the margins turns us inside out, how crucial hope is to healing, and why we should all embrace his understanding of kinship* from this inspirational storyteller

*** "Kinship- not serving the other, but being one with the other. Jesus was not "a man for others"; he was one with them. There is a world of difference in that."**
